Expendable Crew Member: J. Thompson (a.k.a. Sarkar's boyfriend or  
"Warreknn the pig-mentally challenged pack mhule")  
Call sign "Sphincter Boy"

**Covert Operation Blueberry Hill**

**Navigation Log USS Roadkill**

**Compiled and recorded by**

**T. Sarkar**

**under the direction of**

**Mission Commander Lt(JG). Dr. S. Clarke**

00:12 121 Major Street Moronto.  
OD 0439048

00:22 Passed USE OPT CTR SAT

00:30 401 East ETA Queenston 02:40, ETA Montsurreal 06:33

01:36 Colborne saw the “Big Apple” in the dark and made log notes by the light of an indiglo watch.

01:47 USS Roadkill is attacked by vicious pylon. Only the outstanding sailing of Lt(JG) Clarke saves the crew from sure death.

02:36 Refuel near Queenston.  
OD 0441514

02:47 Tuckey takes the con.

02:52 Queenston  
OD 0441626

04:26 Cornball

05:30 ECM performs an emergency horn test in MacDonald’s Parking lot (Dorion). Test is successful horn works.

05:41 Resume travel after gaining important information from special contact.

06:15 Bagels retrieved from Fairmount Bagel Bakery. Due to nature of operation and time of day ORACLE at DELPHI not contacted.  
OD 0442600

06:49 After following “Coke Snipers” evasive tactical route instructions taking us through the heart of Montsurreal we cross the St. Lawrence River.

08:59 Gas up at North Pole  
OD 0447219

09:05 depart Gas Station

09:39 St. Pierre ECM becomes upset with COB after COB criticizes ECM’s inefficient log keeping abilities. ECM shoves log book back to COB.

09:41 When questioned about quality of traveling time for the first few legs of the mission the Skipper answers with “I’m Happy”.  
COB’s note: Coke consumption 1 can each, candy consumption too much.

10:44 Made turn onto 185 now heading south  
OD 0449084

11:43 Almost at Nude Bunswitch

11:45(EDT) Nude Bunswitch  
OD 0450119

13:04(ADT) Leave tourist info. Warrrekn volunteered to be tested by local witch doctor. He seems no worse for wear. Should be watched for long term effects.

13:28 Green River.

13:42 St. Lenard

13:52 Grand Falls

13:53 COB muses to self “I bet the reason this ship is called Roadkill is because often times you don’t know what road kill is, and since we don’t know what colour the ship is, it only makes sense.”

14:42 Florenceville ECM asleep, Skipper wonders if he’d make a good boat anchor.  
OD 0451630

14:54 Longest Covered Bridge. Photos for all.  
OD 0451848  
15:07 Depart bridge  
16:25 Refueled St. Mary's N.B. - Apparently we went through Fredericton...  
OD 0453121  
16:32 Depart Gas Station  
16:36 Maugerville - home of the giant Potato  
16:39 At Potato that looks like the Mr. Peanut Man. Big Disappointment  
17:00 Stop for Dinner at Dick's Roadhouse. Saw the sacred mooning pig. Warrreknn kissed pig's ass.  
17:51 Departed for St. John. COB's note: Woohoo  
OD 0453248  
18:38 Arrive St. John  
18:49 Arrive Reversing Falls  
OD 0454184  
19:10 Depart from Falls Met by Controller (CH)  
19:45 Stopped at ship yard to see ship being built  
20:00 Arrived at safe house just outside of old St. John

#### August 22

08:26 Depart from safe house to Moncton to meet Madam Ambassador Berry  
OD 0454324  
08:47 Brake check Rothasay St. in St. John  
09:12 Witnessed ASO movements  
09:14 Witnessed low lying cloud in valley  
09:15 Another ASO spotting  
09:22 Sussex  
09:25 Cabbage or Cauliflower field spotting  
09:27 Tourist Info. Centre - 62 seconds for Dr. Tuckey to not get a map of Moncton  
09:48 Drove past the giant blueberry  
09:57 Encountered Stop sign facing wrong way on Hwy 2  
10:00 Moncton  
10:20 Tidal Bore OD 0455977  
10:50 Madam Ambassador Berry, Moncton Liaison  
11:45 Tidal Bore (a.k.a Total Bore) spotted, it was a ripple  
11:55 Depart Total Bore in search of camera battery  
11:58 Stealth mode engaged. Ambassador begins briefing of mission objectives. Gives overview of enemy movements in area. - stopped at Mall  
12:21 Acquired provisions as recommended by Ambassador Berry. Camera batter and kite string acquired. Bonus: 2 Pooh Bears also acquired. Leave Mall for Magnetic Hill  
12:31 Warrreknn demonstrates his Snotbag dance in Roadkill to George Michael. Ambassador not impressed.  
12:37 Emergency Stop - Spotted Giant Coke Bottle. Must stop for picture  
OD 0456051  
Ended up playing with coke stuff at special exhibit along highway. Turns out the exhibit

was a cover for Special Agent Darcy X and his staff. One of the Ambassador's highly trained undercover agents. Darcy provided us with the instructions and special equipment needed to complete our mission.

- 13:00 Departed for Magnetic Hill
- 13:07 Spotted Giant Coke Can. Stopped for photos and beverage enhancement opportunity.  
OD 0456107
- 13:13 Magnetic Hill
- 13:15 Commence Trial #1
- 13:16 Trail #1 ends
- 13:19 Trial #2 OD 0456119
- 13:20 Trial #2 ends OD 0456121 time: 47sec  
COB note: crew felt that effort expended was worth experience.
- 13:29 Rendez-vous avec "Mother Goose"  
OD 0456132
- 13:36 Lunch at McDonald's  
OD 0456158
- 14:07 Depart McDonald's  
Acquired special intelligence map of Muncton area from under food.
- 14:39 Arrived at World's Biggest Lobster (Shediac) Witness evidence of P\* occupation.  
OD 0456520
- 15:23 Depart Lobster after acquisition of fire arm (as per Darcy's instructions)
- 15:27 ECM commences firing at hostiles.
- 15:34 Battle of Shediac wharf.  
OD 0456580  
We won
- 15:50 Phoned "Clan Rookie" to tell of victory
- 15:56 Refuel  
OD 0456595  
COB note: Lobster should be a memorial to all those heroes who gave of themselves to save the wharf from the P\* invasion.
- 16:30 Deposit Ambassador at her domicile.  
OD 0457018
- 16:41 Depart from Berry safe house to visit Blueberry and worship giving thanks for our victory.
- 17:12 Arrive at Big Blueberry  
OD 0457368  
Pose for many photos
- 17:38 Official Christening of USS Roadkill
- 18:02 Stop at Sussex Corner. Purchased Sussex Ginger Ale at Sussex Corner Convenience  
OD 0457807
- 18:49 Arrive St. Martin  
OD 0458331
- 19:58 Incident Report: COB fell twice at St. Martin's Cave has been patched up nicely. Is quoted as saying "nothing is worth doing unless you get battle scars".
- 21:08 Joined by controller. Escorted to Southern cliff facing Nova Scotia for "star gazing"

CH clocked at cigarette retrieval 47sec  
Same time as Magnetic Hill (is this significant? Ask DELPHI.)  
21:25 Arrive at coast.  
OD 0459015  
21:36 Phoned Agent Morash in Halifax. No answer  
22:01 Greco's Donair  
OD 0459238  
22:32 Arrive at safe house  
OD 0459345  
23:00 CH teaches COB to make Hummis

### August 23

08:12 Bid adieu to CH and his "cover family"  
08:13 Skipper tells bad joke  
08:24 Toll Hi-way  
OD 0459463  
08:26 Route evaluations for return trip performed by COB using laptop and Automap  
09:24 Arrive Deer Island Ferry  
OD 0460328  
09:35 While loading onto ferry COB notes that camera is pooched from previous day's dunking  
09:51 Approaching docks  
09:53 Disembark ferry onto Deer Island  
OD 0460330  
ASO spotted hiding on back of trailer preparing to be loaded onto the ferry  
10:09 Saw Salmon Hatchery. Discover ferry dock has been misplaced. Begin search for it.  
10:26 Stop at Happy Shoppe for directions  
OD 0460640  
10:33 Find line for Campabello Ferry after successfully completing tour of Deer Island.  
OD 046094  
10:45 Roadkill is aboard ferry (Island Hopper) and on route to Campabello Island.  
11:27 Disembark ferry  
11:35 Souvenir Shop  
OD 460776  
11:47 Begin search for safe house to rendezvous with contact.  
11:48 Located  
OD 0460785  
Friar's Bay Restaurant  
Safe House! Meet by special contact Connie who kindly offered us a choice of breakfast or lunch. Skipper ordered breakfast, Western Omelet with OJ and potatoes. XO ordered Club and Coke. COB ordered Bacon Burger and Coke, ECM ordered western sandwich with fries and a Coke. Restaurant has GREAT VIEW! Discussion of swearing-in ceremony ensued. XO wondered if we were old enough to swear. Connie informed us that on Campabello Island one needs to be 30 to swear. Food was good. Coke was awesome as usual.

- 12:46 Depart Friar's Bay Restaurant to be at dock for 1:30
- 12:53 Stop at Co-Op for ICE  
OD 0460832
- 13:01 Skipper finds new pack of Carltus cigarettes on ground and propels them at ECM
- 13:07 Arrive at Whale Watching departure dock  
OD 0460881
- 13:47 Pulled out of dock and was greeted by Special Agent Joe.  
We are aboard 32 foot Carver Cabin Cruiser named the Bottom Line
- 14:50 Fin Whale Spotted (Joe tells us this is the 2<sup>nd</sup> largest Whale in the world)
- 15:47 Spotted Eagles, seal and cormorant
- 16:17 Depart from Whale Watching
- 16:27 Arrive Roosevelt (FDR) Summer Home. (18 bedrooms and 4 bathrooms)  
OD 0460941
- 17:00 Depart FDR's
- 17:02 Cross BIGASS bridge
- 17:03 We are in Maine (Time Zone Change it is 18:03)  
OD 0460971
- 18:04 ECM tells us that he has never been out of Canada before.
- 18:05 Stop at gas station for cheap gas  
OD 0461153  
ECM takes first step on US soil. (See photo)
- 18:32 Science officer's note: ASO sighting-possible human corruption Human Guils addition on an air stream. Testing is inconclusive more research needed. Theory holds to a possible airborne virus.
- 19:43 Once again passing through Fredericton. This time, however we notice it.
- 19:44 Headed for Wooden Nickel
- 20:45 Wooden Nickel  
OD 0463829
- 20:45 Depart World's Largest Wooden Nickel. Begin looking for Washroom.
- 21:50 Skipper gets cranky. Can't find Greco's Donair's. COB phones Greco's central number (506) 310-3030 to find nearest location.  
ECM and Skipper go to Tim Horton's to get directions
- 22:07 Found Greco's after stopping @ hotel for directions  
OD 0464617  
All but XO have Donair. XO orders pizza. All but Skipper have first Sussex Ginger Ale.
- 22:57 Depart Greco's and begin journey home.

#### August 24

- 01:36 Special Commendation made to ECM for painting white lines for XO.
- 01:40 Lines taken away
- 01:58 Refueling Edmonston, N.B.  
OD 0467427
- 02:02 On the road again
- 01:14 Time Zone change  
OD 0467615

01:39 Rain  
04:00 Safety Break  
OD 0470940  
04:08 Driver Switch  
XO @ Helm  
04:41 Rest Stop. Rain continues.  
06:36 Refuel at Petro Canada in Montsurreal. The Skipper has taken over driving duties after buying gas and conversing with the attendant solely in French. XO was very proud. (Note: skipper said only about 5 words - but XO was still proud) ECM reported a few arctic barking spiders but said not to worry they were not in the car.  
07:07 Enter Ontario  
OD 0473625  
Skipper calls all hands to look for eating establishment  
07:42 Pit stop at Tim Hortons  
OD 0474294  
08:12 Depart from Horny Tims to Big Apple  
Rain Falls  
Pavement is Wet  
XO is grumpy  
Skipper is Weird  
ECM is a Freak  
08:39 Coast Guard is spotted on 4 Wheels  
10:25 COB recently regained consciousness and has discovered that Skipper and XO are in search of "something" but will not tell remaining crew members what it is.  
10:37 Mission aborted and disclosed "hunt for the Giant Toonie"  
10:51 Mission re-instated. 27km to Giant Toonie it is in Campbellford  
11:15 Giant Toonie found  
OD 0477509  
11:25 Depart Giant Toonie for Big Apple  
11:59 Big Apple  
OD 0477937  
12:28 Mission complete. Big Apple has been seen.  
12:30 Refueling  
OD 0477944  
13:07 Lunch break @ Wendy's  
OD 0478489  
13:25 Depart Wendy's for Moronto  
14:18 401 - Yonge Street Exit  
OD 0479239  
14:29 Stop at Skipper's to unload some junk  
OD 0479295  
14:46 Depart Skipper's for COB (never mind) Depart to deliver Donairs to Rhonda  
15:01 Fired firearm at Skipper under XO's orders  
15:07 Arrived at Rhonda's to deliver Donairs  
OD 0479402

- 15:36 Log pens MIA. Using emergency spare. Leaving Rhonda's home after making the special delivery. The Roadkill crew is very tired. On the road for the last time together (for this trip). Plans are already in progress for the next road trip.
- 16:16 Dropped of ECM and COB at specified location.  
OD 0479581
